UltiRock

The Ultimate Die Stone

Whip Mix introduces an extremely creamy, hard premium stone for every gypsum application. New UltiRock is the ultimate die stone. With a smooth non-reflective surface and high durability, trimming a full model, ditching dies and scanning is easy and reliable. The stone's flowability and precision enables it to reproduce minute detail. UltiRock comes in three colors, enabling labs to send out beautiful models. Order your UltiRock Stone in Golden Brown, White and Ivory.
